

BE DELIVERED FROM THE FRAUD

Rev. Edward Omojevbe Eruteya

Ever-Flowing Grace Assembly

* O Lord God, help my understanding as I daily read the Bible; In Jesus name I pray.
Amen.

Dear reader, test your faith with this message. Read the message over again and respond with the deliverance prayer. May the Lord God reward your faith. Amen. Then, do not forget to nourish your heart daily with God's word reading meditatively the content of the Bible. Thank you.

NOTE: When the Devil orders his evil spirit to invade and plant his thoughts (ideas) in people's mind, they are always persistent in their actions. Therefore, anyone who believes in Jesus should persistently rebuke and cast out the Devil's thoughts (ideas) from his or her mind in Jesus name. Declare God's word against all devil's thoughts (ideas) until you completely get rid of them. Always remember Ephesians 4:27, which says: do not give the devil a foothold.

BE DELIVERED FROM THE FRAUD by Edward O. Eruteya

A

As an evangelist and a pastor, I have noticed one fact in our time that some people have the idea that: when I'm about to die, then will I yield my heart to Jesus as my Lord and Saviour. But as of now I want to live my life as I like. Without mincing words, I say: this idea is not of God, but of the devil. It is what I call the devil's last minute idea to deceive many souls. By it, the devil has prevented many souls from yielding their hearts to the Saviour in their life time.

Yes, the idea may look charming. But only to those who are unaware of the reality of their terminal end. Nobody knows how and when death comes. Some, who have allowed this idea in their thought, think: while on the sick bed and about to die is when they will accept Jesus. Do not be deceived. Death comes in many ways. Some sleep and do not wake up. Some die by accident. Accident takes many forms: by road, by air, in water, even domestic accidents, etc. Some die by short or long time sickness. Some die through childbirth or operation. Some die by violent, unsuspected attacks on their life. Some die in mob action. Some die in battlefields. Some die from food poison. Some die from stress (exhaustion not having enough rest from work). And others die from mysterious or unknown causes.

Now, how many people know the last minutes of their life? How many people know how and when they will die? Whatever will happen at the last minute is beyond the ability of

anyone to determine. What some think will be their last moment may not be after all. What others think will not be, may be eventually.

The last minute idea is a fraud. The wise will not allow this fraud of the devil in his or her life nor will he or she allow the devil to cage him or her by such an idea. Rather, it is better and safer to secure one's salvation a good while before the last minute of one's life (Ecclesiastes 8:8). In fact, the last minutes in people's lives are usually not comfortable for decision making.

Amazingly, people who are waiting for the last minute before they yield their hearts to Jesus know the truth about Jesus as the Saviour. But they allow the devil to work on their minds with the last minute idea. It does not work anything good for anyone. It is an idea full of loopholes. Reject it and be delivered now!

Naturally, ideas are powerful. That is why the Bible says, that imaginations (ideas) be cast out (2 Corinthians 10:3-6). Not every imagination (idea) should be cast out, but only those of the devil. Devil's ideas always lead people away from God.

Now dear reader, are you a victim of the devil's ideas? Those ideas must be cast out from your thought in Jesus name. Will you do so today? Quick, apply your heart to wisdom. You have no other option than to rebuke and cast out all ideas of the devil from your thought. Do not spare a second to do so, as you are entitled to God's deliverance. Now is the time with all its urgency.

What else? God in his wisdom is calling you to peace and life eternal. Today is the day of your salvation, now is the accepted time (2 Corinthians 6:1-2). God offers you this salvation through His son, Jesus as your Saviour (John 3:16). As you hear God's voice today, do not harden your heart (Hebrews 3:7-8).

Finally, as you respond to God's salvation offer, your deliverance prayer could be:

* O Lord God, I thank you for this tract message; I believe and accept it.

Now, I confess Jesus as my Lord and Saviour from sin. I invite Him into my heart today and now.

* O Lord God, I turn my heart over to you today; let your Spirit rule in my thought; therefore, every devilish idea in me, I bind and cast out in Jesus mighty name. You devil, I command you in Jesus name, lose your grip from my thought; I don't need your ideas anymore in Jesus name.
