GET CHARGED SPIRITUALLY by Rev. Edward O. Eruteya

W

hen you are asked to get charged spiritually, that presupposes you have been spiritually activated already. Spiritually activated? I say, yes. By that I mean that your spirit being is born again from above (see John 3:6, NIV). As everyone is physically born on the earth by human fathers, so is everyone expected to be born spiritually from above by the heavenly father. This can happen when you believe and receive Jesus as the Christ, Saviour and Lord of your life (John 1:12; 3:16; 1 John 5:1).

It is when you might have been activated that you can be charged. It is when you are charged that you can discharge. In other words, the more you are charged spiritually the stronger the intensity of the spiritual energy that emits from you in ministry to your audience.

From the physical science, you can only charge a device from a main. All you need do is to plug the device to a main and leave it for a time to allow it get charged fully. Thereafter, the charged device can discharge effectively or function better.

As a child of God, you need to get yourself charged spiritually. How? God is a consuming fire (Hebrews 12:29) and he makes his ministers a flaming fire (Psalm 104:6, KJV). Here is wisdom. It is like father like son. Understand it, God (Father) a consuming fire makes his ministers (sons) flaming fire. As already mentioned, it takes some amount of time for a connected device to a main to be fully charged. So also, it will involve time for you who is a child of God to remain connected to be fully charged. The child of God is seen as a device while the Lord God is the main in this context. The child of God is connected to the Lord God via: faith, obedience, holy living, word meditation, prayer and fasting. In all these, sin (a spiritual impurity) should be gotten rid of;

otherwise a child of God becomes a spiritual insulator rather than a spiritual conductor. Listen, only spiritual conductors can allow spiritual energy the anointing of the God's Spirit, flow through them. Yes, as a child of God (an already spiritually activated being) stays in God's presence in faith, obedience, holy living, word meditation, prayer and fasting he or she will definitely be charged spiritually for effective ministry. Effective ministry is not in how much you shout at your audience, but how much you are spiritually charged to impact life on them. May the Lord God grant you understanding in all you have just read. Act on it. Look: Moses, Joshua, Deborah, Samuel, Elijah,
